RECEIVED COMMITTEE TO REELECT TOM FOLEY CENTER 1253 C Street, S. E. 200 JUN -2 AN II: 21 Washington, D. C. 20003-2202

May 26, 2008

Dear Ms. Carmona:

Enclosed please find the Committee to Reelect Tom Foley's first quarter report. I regret its lateness.

This is the first time the Committee has ever filed a late report since it came into existence in the 1960's. My only excuse is illness. My allergies were much worse than usual this spring. And my right hip has had prevented me from doing anything much except go to therapy. In addition, my husband has not been well so somehow the report slipped between the cracks. I apologize.

With every good wish.

Sincerely,

Heather S. Foley
